Dear Alice:

As promised, I'm sending a copy of the Hall of Fame for Great Americans brochure which has a diagram of the placement of the busts along with very brief biographical sketches of those honored here.

I understand from Carol Banks, Special Assistant to the President, that the Connecticut chapter of the American Red Cross had expressed interest in commissioning the Clara Barton bust. However, that was several years ago and there has been no follow-up nor further developments. If your chapter or the national office is interested in commissioning the bust, Ms. Banks who handles Hall of Fame matters would be happy to discuss it with you or with them.

For your records, I'm enclosing a copy of the Program from the 1986 Hall of Fame Recognition Awards Dinner. The program presents information about the College, the Foundation and includes some lovely photographs of the Hall of Fame.

If you would like further information or want to come for a visit, do not hesitate to give me a call.

Best regards,

Kate Quinn-Miller
